RE: Application of Palmetto Wastewater Reclamation, LLC for Adjustment of Rates
and Charges
Docket No. 2018-82-S

Dear Ms. Boyd:

Please find enclosed for filing a revised Page 1 of the Settlement Agreement¹ between Palmetto Wastewater Reclamation, LLC ("PWR") and the South Carolina Office of Regulatory Staff ("ORS"). This revision is to reflect the total number of residential, mobile home, commercial, and multifamily customers of PWR as 1,699 instead of 1,433. This revision is in agreement with the calculation provided by PWR in its Application Exhibit B, Schedule E. This revision does not alter the 7,394 total equivalent residential connections.

ORS has discussed this revision with counsel for PWR, and there is no objection.

Sincerely,

Jenny R. Pittman
